Action

Stop and Think

Aims

Target Service

- Children with developmental delay need help in system to ensure catch up.

Reduce

- Time between referral, diagnosis and plan for children with developmental problems.

Improve

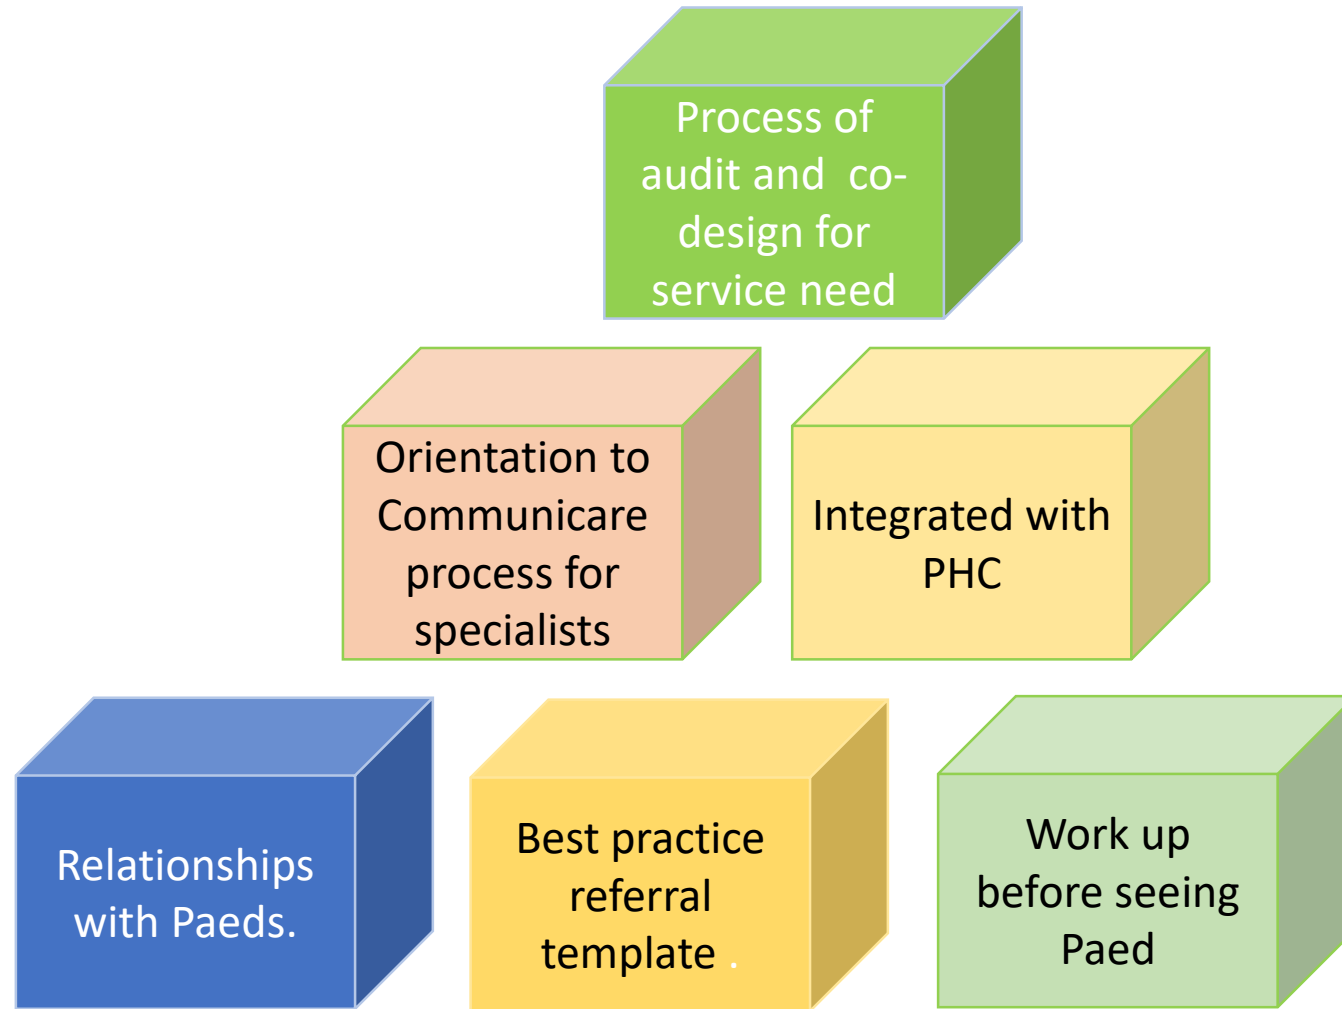

- Engagement children with DDHS primary health care

Support

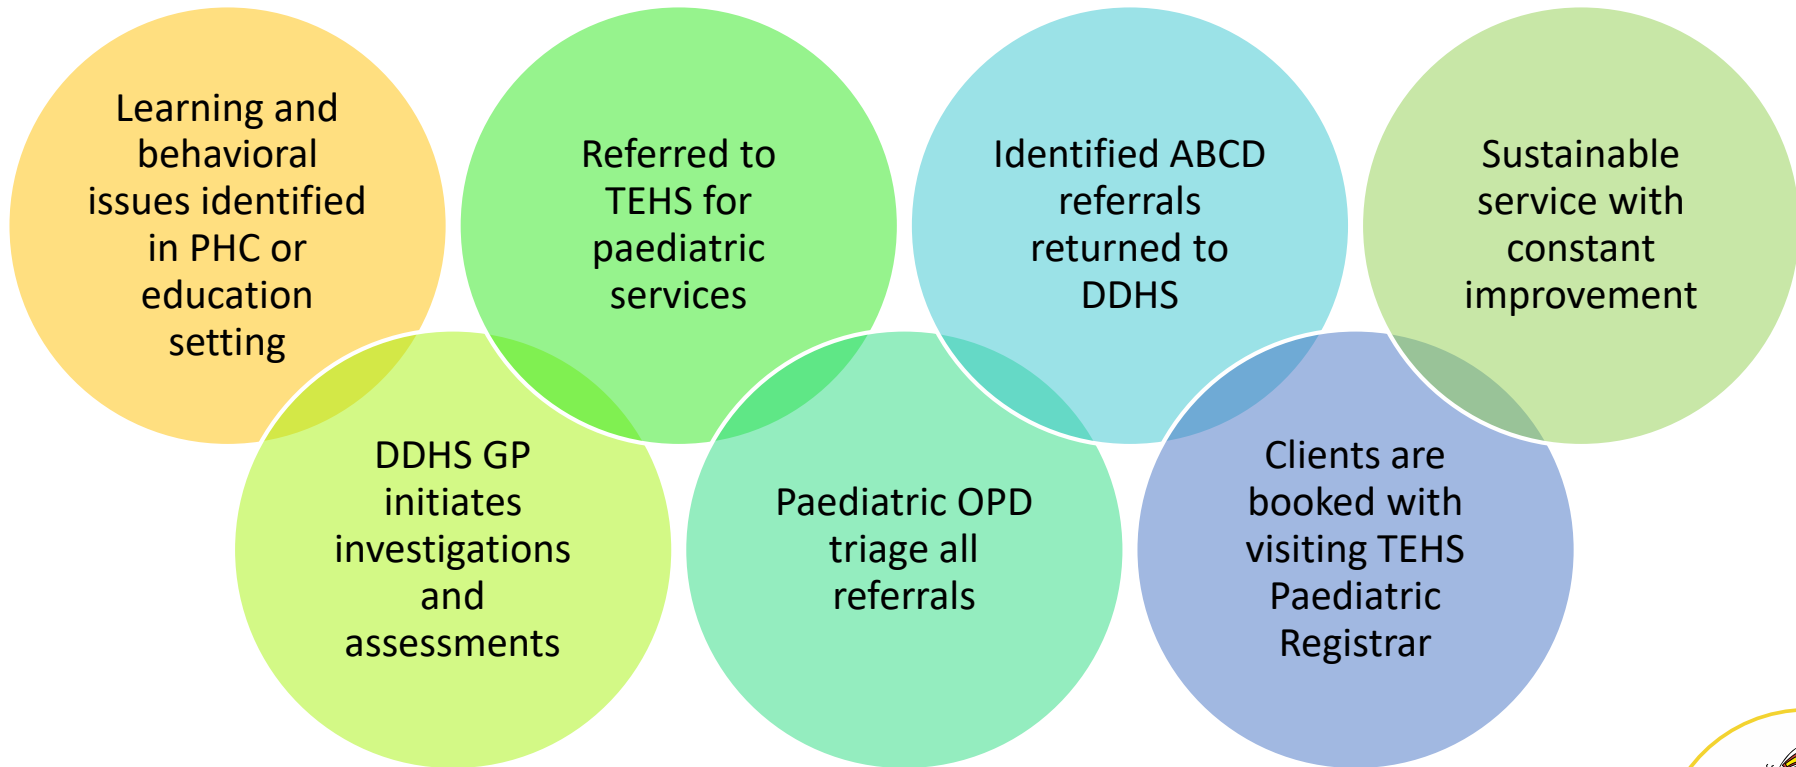

- Children and families through the complex journey of accessing services

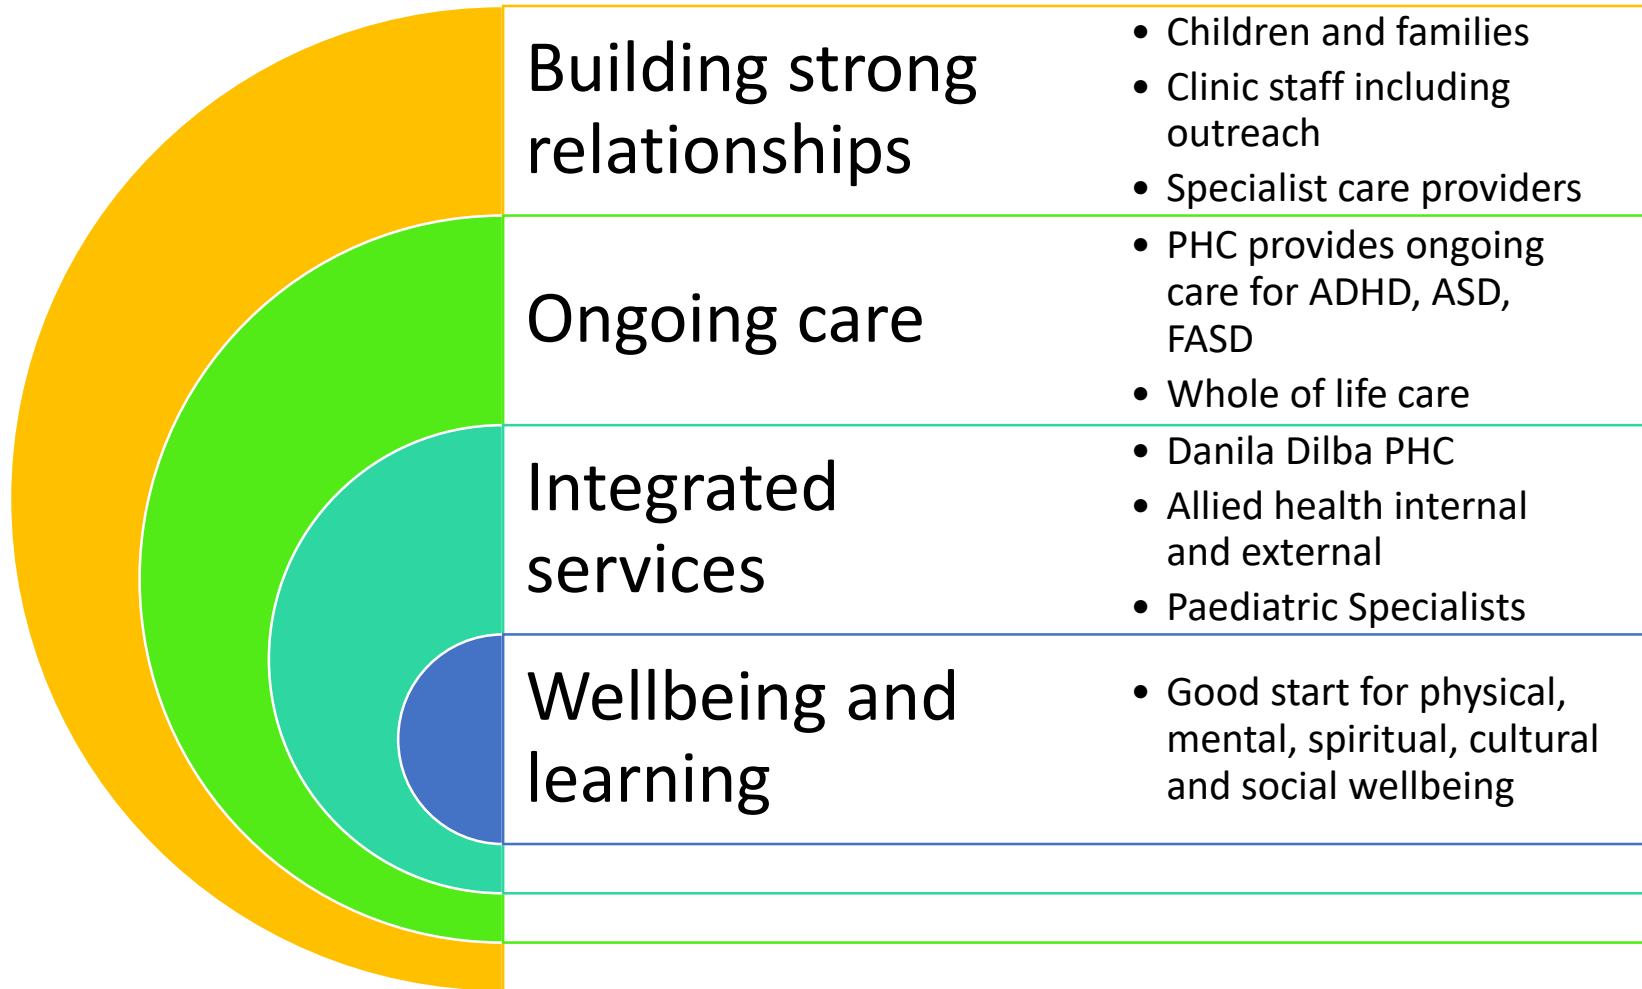

Foundations for ABCD clinic

What does it look like?

Health for Life

Communication about changes with families , carers, staff, and stakeholders.

Where to from here?

- What are our clients telling us about the ABCD clinic?
- Improve access to allied health.
- Communication.
- Continue to strengthen PHC capacity.
- 6 monthly reviews of model with TEHS
- Can we help address TEHS Did Not Attend?
